SCH No. 2002022010 **EIR 711**

NOTICE OF AVAILABILITY / PUBLIC HEARING

OF A DRAFT ENVIRONMENTAL IMPACT REPORT

Pursuant to Section 15085 (d), Title 14, California Code of Regulations, this is to advise that the California State Lands Commission (CSLC) has completed a Draft Environmental Impact Report (DEIR) for the proposed project described below:

Project Title: Concord to Sacramento Petroleum Products Pipeline

Project Location: Concord, California to West Sacramento, California (approximately

70 miles)

Project Description: Proposed construction and operation of a new 20-inch petroleum

products pipeline extending from the existing SFPP Concord Station in Contra Costa County to the existing SFPP Sacramento station in the city of West Sacramento, Yolo County. The pipeline would extend approximately 70 miles and would carry gasoline.

diesel fuel, and jet fuel.

The California State Lands Commission (CSLC) is the Lead Agency under the California Environmental Quality Act (CEQA) and has prepared a Draft Environmental Impact Report (DEIR) for the project.

The level of federal environmental review required by the National Environmental Policy Act (NEPA) is not known at this time.

Due to the time limits mandated by State law, written comments must be sent by July 28, 2003. Please send your comments at the earliest possible date to Judy Brown at the CSLC's address shown on this notice, by fax at (916) 574-1885, or by e-mail at brownj@slc.ca.gov (if comments are faxed or sent by e-mail, please also mail a copy to ensure that a clean copy is received).

Pursuant to Section 15087, Title 14, California Code of Regulations (CEQA Guidelines), the CSLC will conduct a public meeting for the proposed project to receive oral testimony at the time and place listed below.

Contact Person: Judy Brown Telephone: (916) 574-1868

The document is identified as CSLC EIR 711, State Clearinghouse Number 2002022010. The document may be viewed electronically on the CSLC internet website at http://www.slc.ca.gov/Public_Notices/public_notices.htm. A printed copy of the document may be viewed at the following locations:

Written comments should be received at the above address no later than July 28, 2003.

Public Hearing:

A public hearing on the DEIR will be held on Wednesday, July 16, 2003, from 7:00 p.m. to 9:00 p.m. at the following location:

Fairfield Community Center Assembly Hall 1000 Kentucky Street Fairfield, California 94533

Anyone interested in this matter is invited to comment on the document by written response or by personal appearance at the hearing. Persons wishing to appear at the hearing should call (916) 574-1890 so that time can be allotted for such appearance. A sign language interpreter will be provided upon advance notification of need by a deaf or hearing impaired person. Such notification should be made as soon as possible prior to date of the event.

Potential Significant Impacts on the Environment:

Subject areas under which the DEIR discusses the potential for significant impacts on the environment are: Pipeline Safety and Risk of Accidents, Air Quality, Biological Resources, Cultural Resources, Environmental Contamination and Hazardous Materials, Geology, Soils and Paleontology, Hydrology and Water Quality, Land Use, Noise, Utilities and Service Systems, Traffic and Transportation, and Commercial Fisheries.
